

**Foothills Green Pool Association
Pool Board Meeting Minutes
July 6, 2010**

Present: Paul Stutheit, Amy (Splash), Cassie Archuleta, Brenda Carroll, Liz Hemphill, Kayla Rudolph

- I. Silent review of last meeting's minutes.

- II. **Splash Report**
 - Pool lights on west side of pool have been fixed. There is no longer a need for lights at the back of pool deck now that all lights are operational.
 - Uneven concrete by guard chair is now spray painted to alert of potential hazard.
 - Three lounge chairs are missing. Amy estimates each chair will cost \$200-\$250 plus shipping. Will probably wait until end of current season to purchase replacements in order to reassess need and check availability of funds.
 - Chairs have been thrown into pool twice this season. Amy will buy locks and cables so chairs can be locked up at night.

 - Board discussed extending weekend pool hours to 9:00 p.m. for July 4th holiday weekend next year.
